- Laravel
- MySQL
- PostgreSQL
- Node JS
- Express JS
- Presentation (RunawayML, Canva, Uizard)

### SUMMARY

I am an efficient self-starter eager to apply my experience where I can grow under the direction of a seasoned Web Developer. I am also a detail-oriented team player with strong organizational skills. I am motivated to increase my skill set while offering meaningful contributions with my Web Development and AI abilities.

### WORK EXPERIENCE

**Manager** 2020 - 2022

MAK Frozen Foods, Kumasi - Ghana

- Developed software that takes care of the account, inventory and payroll activities of the company.
- Led the transition from a manual to an automated account, inventory, and payroll system.

**Compliance Officer** 2015 - 2016

Ghana Revenue Authority, Accra - Ghana

- Identified, investigated, and documented compliance violations and recommended corrective measures
- Assisted with internal and external audits to confirm compliance with applicable laws and regulations

### VOLUNTEER WORK

I am currently volunteering as the social media manager of Commodity Monitor Limited. My current responsibilities include:

- Managing all social media accounts on Facebook, Instagram, X, and Tictok.
- Posting and maintaining the organization's website.
- Running paid Adverts on Google, Facebook, and Instagram for the organization
